

# NOMADE SPRINT

MOTOBECANE designed this bicycle for the young cyclist who appreciates the advantages of a light-weight bicycle. The frame is made of 2040 steel tubing for those who demand the most but are on a conservative budget.

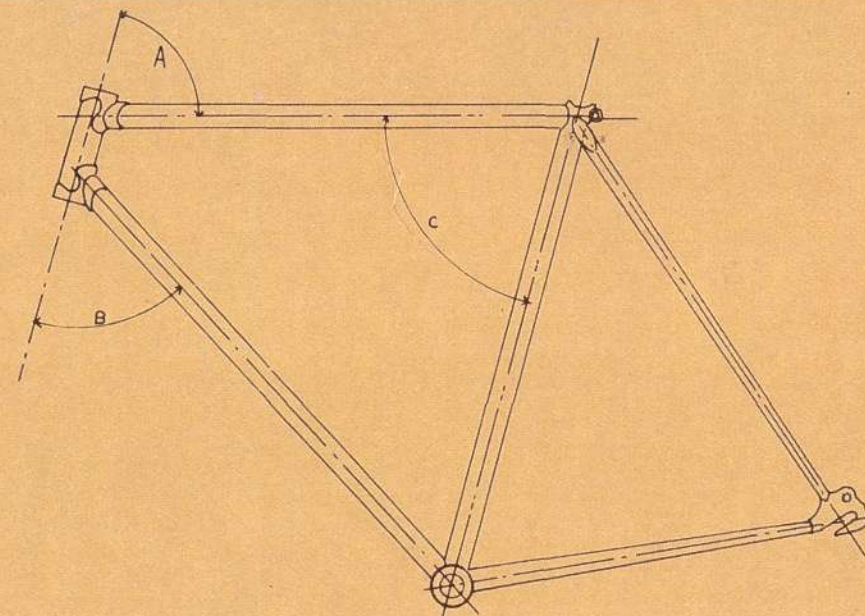

Derailleur: Shimano "ALTUS ST/RS" with stem shifters

Cluster: SHIMANO "Freehub" 6-speed

Please see specifications for more details

**Gear Ratios:**

	14	16	19	22	25	28
39	75	66	55	48	42	37
52	100	87	74	64	56	50

Height (")	A	B	C
19½	72°	61° 30	73°
21	73°	60° 37	75°
23	73°	61°	75°
25	75°	59° 40	75°
